

# Advanced European Recycling and Waste Sorting Technologies

With increasing volume of municipal, mixed plastic and electrical waste in the world we live today, we are facing the challenge of managing the waste at the highest cost effectiveness possible. We also need to protect the environment effectively and efficiency.

To help you achieving that, we bring you a seminar in which, you will be introduced to multiple high recycling technologies from Europe.

Sesotec GmbH  
Uniplast Corporation

Time	Agenda	Speaker
09:00-09:35	Guests arrival and welcome speech 迎賓、客人報到及歡迎致詞	新舟科技
09:35-11:00	You Protect The Environment, We Protect You Machineries 塑膠金檢機-你保護環境, 我們保護你的機器	Sesotec GmbH / George Laudi
11:00-11:30	Tea break + interactions 休息&交流	
11:30-12:30	Post-consumer Plastic Waste Recycling 整線規劃-塑膠廢棄物回收利用	Erema GmbH / Wimmer Fritz-Josef
12:30-13:30	Lunch break 午餐休息時間	
13:30-15:00	Sesotec Sorting Solution for Recycling Application Sesotec回收資源分選技術-適用於家電電子 廢棄物、玻璃碎片	Sesotec GmbH / Michael Perl
15:00-15:15	Tea break + interaction 休息&交流	
15:15-16:30	Sorting Recycling Technology 瓶罐及粉碎片-分選回收技術	Sesotec GmbH / Dharmawan Putra & Nikolas Wolf
